

Vue A

50 5 8 8 25 9 R5

Technical drawing of a mechanical part. The part is a long, thin rectangular block with a width of 10 and a height of 16. The left end is hatched and labeled 65X25. The top surface has a step or cutout with a width of 12.5 and a height of 12.5. The bottom surface has a small semi-circular fillet with a radius of 2. The part is shown in a perspective view.

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and a cross-section. The part is shown in a side view with a cross-section indicated by diagonal hatching. The dimensions are as follows:

- Overall width: 10
- Overall height: 16
- Top flange width: 5
- Internal hole diameter: 8
- Internal hole depth: 9
- Bottom flange width: 9
- Material specification: 65X25

Technical drawing of a mechanical part, likely a bolt or screw, showing dimensions and a label.

Dimensions:

- 32 (Total length)
- 15 (Length of the threaded section)
- 10 (Radius of the head)
- 5 (Radius of the head)
- 10 (Radius of the head)

Label:

Tourillon
 $\varnothing 10 \times 40$
 $P: = 2 \times 26$

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters (mm). The drawing includes a top view and a side view.

Top View Dimensions:

- Overall width: 40 (42)
- Overall height: 37
- Distance from left edge to center of hole: 20
- Distance from right edge to center of hole: 20
- Distance from bottom edge to center of hole: 18
- Distance from top edge to center of hole: 10
- Distance from left edge to center of hole: 5

Side View Dimensions:

- Overall height: 37
- Distance from bottom edge to center of hole: 18
- Distance from top edge to center of hole: 10

The drawing shows a rectangular base with a central hole. The hole is located 20 mm from the left and right edges and 18 mm from the bottom edge. The overall dimensions are 40 mm (42 mm) in width and 37 mm in height. The distance from the top edge to the center of the hole is 10 mm. The distance from the left edge to the center of the hole is 5 mm. The drawing includes a top view and a side view, with dimensions in millimeters (mm).
